Highett CP Support Groups

The Cerebral Palsy Support Network invites parents, carers and individuals with cerebral palsy to attend a free support group.

How can the support group help?

Meet others in similar situations, have a coffee and a chat in an informal, friendly supportive environment.
Each session will cover a different topic for discussion.

Topic of Interest.

The topic of interest for the month of July is
Equipment and Modifications.

Handouts and information on the month's topic of discussion will be available to take home.
